Sir:

The *Final Office Action* from Examiner Sarah A. Simpson of Art Unit 3731, mailed 27 October 2010, has been received and carefully reviewed. In response thereto, Applicant respectfully submits the following *Response and Amendment and Request for Continued Examination* (“*Response*”), with an express *Request for Continued Examination* under 37 C.F.R. § 1.114.

Applicant clarifies its arguments as to the patentable distinctions between the cited prior art and the present invention, and respectfully submits that the cited references neither teach nor suggest the present invention.
